The 'decked out' Angler edition of the Access is ready to go fishing when you are. The Line 280 comes with all the features of the Access 280 as well as the above.

Complete your kayaking kit with these accessories:

Half-deck spray skirt

Minimise water entering the cockpit with this spray deck that has a shelf to help keep your fishing or other gear on the boat while you get your line ready.

'Freetime' PFD (Personal Flotation Device)

Affordable for first time paddlers, wide tooth zipper, reflective patches on the front, easy to get into and contoured shape means extra comfort. Side and waist adjustments. Available in Yellow. Sizes: Kids 4-6, 8-10, Adults XS-S, M-L, XL-XXL

Bulkhead

Able to be added to the Access 280 or Line 280 to provide a water tight compartment in the rear of your kayak. Can be fitted at the time of manufacture or post-purchase.

Adjustable front rod holder

Add on for Access 280: Keep a rod at the ready so you can test different lines with this swivelling rod holder.

Flush rod holders

Easy to fit to your kayak, mounted on a flat surface on your kayak and angled to suit your position for trawling or storing your fishing rod.

'Waikato' Paddle

Complete with a raised index hand control, covered handgrips and drip rings to help prevent water running down your arms. Available in Red, Yellow or Blue.

Secure your paddle or leash to your boat so you can have both hands free without losing any important gear.
